ILLAFTrain Certified Trainer Course (ICT)

Duration: 12 days / 9 hours daily.

Introduction:

Day after day, the importance of training continues to increase, and its vast markets continue to grow, till the available trainers can no longer cover them. We offer "ILLAFTrain Trainer's Training Course", to enrich the training-market with the most knowledgeable and effective trainers. These trainers have acquired the knowledge and the experience, to carry the art and science of training to a new and higher standard. This is in a nut-shell what this course is about.

Audience:

This course is designed for both new and established professional trainers, for managers of Human Resources and of educational organizations, and also for every one with a passion for teaching, training and education. The primary purpose is to prepare the new trainers to become professional trainers, to enable them to analyze training needs and determine training purposes, to design, present, evaluate and improve course presentation; through face to face training, in small training groups, and under the supervision of highly qualified trainers.

Joining requirements:

- Reading course terms and requirements and willingness to abide by them.
- Completing the application form. ILLAFTrain reserves the right to reject any application that does not meet its criteria.
- Devoting entire time and attention while attending the Course, in order to meet various course requirements like reading, presentation and review of information.
- Committing to read and understand the introduction material which consists of approximately 100 pages prior to attending the course. The material will be provided to the trainees as a (PDF) file after their registration (The introduction material will be briefly reviewed during the course).
- Prior knowledge of the internet and PowerPoint program.
- Each trainee is encouraged to design a simple presentation on Power Points or on flip chart papers (He can use it to apply and practice the techniques which he will acquire during the course)
- Each trainee should bring his laptop with him to utilize it during the course.
- It is preferred that each trainee had prior attendance of no less than 12 days of HRD training courses (Courses standards should meet the training criteria for ILLAFTrain)
